*The prices are given for crops referring to farms with 1-3 fields and or 1-3 crops. One hour will be added if the number of fields or the number of the crops is between 2 and 10.
If the number of the fields and/or crops is higher, 2 hours will be added.

1. The prices are not VAT inclusive. 18%-VAT shall be added to all invoices
2. Operators are required to pay for all services in advance
3. Any service cost except 'Application assessment ' is refundable, if cancelled before work on the service (e.g. inspection) has started
4. If the operator (on-site or off-site) initiates any changes or modifications, CAUCASCERT will charge additional fees based on the extra work involved
